- Answer your door from anywhere
- Real-time video call with your visitors
- Remote video monitoring, live view
- PIR (passive infrared) sensor motion detection
- Photo and video recording to the cloud

Hardware Features

- HD video
- Cellular phone quality real-time communication
- IP65 rating, dust- and watertight
- Loud speaker for hands free communication
- Active echo cancellation technology
- Works in extreme low temperatures
- Hardwired, maintenance free

Tecom provides cloud video doorbell total solution to our ODM customers. The system consists of 3 major parts : the video doorbell, the cloud server, and the smartphone App. In addition we provide Wi-Fi chime as a doorbell system accessory. Up to 4 Wi-Fi chimes can be paired with a single doorbell.

## WE CUSTOMIZE FOR OUR ODM CUSTOMERS

1. Video doorbell industrial design.
2. iOS and Android App to easily integrate the doorbell features into your existing App.
3. We host the cloud server as a service.
